Mutoh XpertJet C641SR Pro  
Optional Stand and Take-up

### OVERVIEW

The all new Mutoh XpertJet C641SR Pro 24" Eco-Solvent printer/Cutter Combo is perfect for a wide range of applications such as stickers, t-shirt transfers, vehicle decals, posters, banners, and more. Print and cut a 24-inch roll of media while operating at speeds more than twice as fast as its closest competitors.

In addition to the built-in contour cutting capability, the XPJ-C641SR Pro also contains all of the functions and features of the full-size XpertJet Pro Series printers including the ultra-fast Mutoh AccuFine printhead, Dropmaster2, FeedMaster automatic alignments, i-screen Intelligent Interweave technology, and Mediatracker.

### KEY FEATURES

#### Advanced Printing Technologies

- Outstanding printing speed
- Unrivaled print quality at lower resolutions
- Automatic alignment systems
- High-caliber, consistent prints
- i-screen Intelligent Interweave Technology

#### Tracking and Management

- MediaTracker system
- Barcode printing and scanning

#### Cutting and Production Capabilities

- Built-in contour cutting
- Cutting throughput up to 150mm/s
- 24-inch roll capacity with wide range of media

### APPLICATIONS

- Sticker production
- T-shirt transfer printing
- Vehicle decal creation
- Poster printing
- Banner production
- Short to medium-run graphic productions

### WARRANTY
